THE BOARD OF SCHOOL EXAM
INGRES, will meet in the school house in the
West end, of Sr. Clareville, on Saturday
Merch, 17th, 1855, at 10 o'clock A. M.
By order of the Board.
D. D. T. COWEN, Clerk.

We feel exceedingly sorry that our friend "H." sho uld attribute to us senti- exceeding three thousand miles, three cents ments which we never e ntertained, in reference to the present rendering of scripture - from a foreign country, and not to or from We published the article in question from officers of government, and marked "on offithe "Buffalo Democracy" but we did not there-cial business," the postage shall be prepaid. Nancy Lloyd (adult) and Mary Lloyd, Joshus Lloyd Charles M. Lloyd and Sarah E. Lloyd, minors. by adopt its sentiments as our own. We After 1855 the prepayment must be by THE above named Defendants will take merely inserted it because we looked upon it stamps. as ingenious, and nothing else; because Kos- and a charge of one cent imposed on all adsuth seems to have been trying very hard to vertised letters.

necessarily follow that we endorse its senti-

choose. His articles will always receive prompt attention.

OFSAXE, Jr. will confer a favor by honoring us frequently with his poetical effusion. The article in the present issue is rich and racy, and will not fail to call up a smile on the face of the reader. His poetry will com- phia Public Ladger: pare favorably with that of the man who "dared not write as funny as he could."

We are glad that our article on "Temperance in Belmont County" has brought of the history of the refugees of New Jersey. out the "Delegate" to the Convention, and Nor have we been disappointed. The herowe are pleased that it is the man it is, for ine is sketched most artistically, and fairly he is a real out-and-out temperance man, and stands before the reader a thing of life. One carries his heart in the right place. Yet we acters are never unuatural, nor the incidente still insist that temperance is not on the de- improtable; and yet, from the minute desstill insist that temperance is not on the decline in the county. It is true we did not think it was retrograding in Barnesville, but he seems to speak from a personal knowl
the seems to speak from a personal knowl-Le seems to speak from a personal knowl- grows more and more absorbing as it proedge. They have certainly sent several persons to jail from there lately for selling li- years, and justly places its author at the very quoi, and it is that, in a great measure that head of the popular romance writers of the day led us to form our opinion of temperance in in this country. This is saying a good deal, Warren township. We did not charge u'tru-story, will agree with us that our commendaism, brother but merely suggested that as the tion is not exaggerated." cause of your report. No divisions have gone | Price-in one volume, cloth, \$1,25; 2 vols. down in the county since May 1854, the time of the passage of the law-our report was only incended to date to that time. Shall be glad to hear from you again.

-We publish in another column the Constitution & By Laws of the "Progressive Anti-Tobac. "o Association." It is a novel society, but it cleserves to be ranked with other societies of the day, organized for purposes of meral reform . This Warren township Association may be but a centre for scores of der l'a similar associations to ,"ath ar ground.

Apropos of tobacco che wing, we find the fallowing in un exchange which we commend to the careful perusal o, bij ed tobacco worms:

—FOR THE CURE OF—
CONSUMPTION DECLINE. ASTUMA, BRONCHITIS. WASTING OF THE FLESH, NIGHT
SWEATS, SPITTING BLOOD, WHOOPING
COUGH DIFFICULTY OF BREATHING, -COLDS, COUGHS, INFLUENZA,-PHTHISIC, PAIN IN THE SIDE,

DISEASES OF THE CHEST AND LUNGS.

By. Hall's Balsam contains no Order. Catomic, or any mineral poison, but is composed mostly of those Roofs, Heris and Vectable substances which have a specific influence upon the lungs and their connected organs. He instances the lungs and their connected organs. He instances the lungs and their connected organs. He instances the lungs and other morbid secretions from the Throat and Air-Passages, thus relieving the Cough, by sudding the aformatic and other causes which give rise to it. Halso stimulates and imparts healthy fone to the Lungs themselves, thereby enabling shem more thoroughly to remove from the blood those impurities and diseased particles, which, if retained, do so much mischief in the system, and lays the foundation for incurable CONSUMPTION. It also exerts a desided action upon tin skin, and assists nature in expelling through the Exnalents, much of that morbid matter which would otherwise be thrown back upon the Lungs, thus relieving them of a part of their work, and rendering the system pure and beatily. When tubercles are forming, it checks their development and restores the argain to healthy action. This works and rendering the system pure and beatily. When tubercles are forming, it checks their development and restores them again to healthy action. This work is assist the lungs in throwing off the corrupted matter, soothes the irritation, heals the uiccrated cavities, and restores them again to healthy action. This work is the time being, but is a transcram trarrie, as it strikes at the very root of the disease, and by re nowing it, removes at once all its remote and attendant comes quences. This is its during own, by no other medicine of fride unture, mosy before the public. DISEASES OF THE CHEST AND LUNGS.
